

TIGER EYE YELLOW

Yellow Tiger's Eye is a **fortune of prosperity and prosperous power stone**. "Yellow Tiger Eye" boasts a high popularity as a stone that enhances the fortune and work luck and supports the achievement of aspirations. It has been popular as an "eye to see everything" because the stripes on the surface look like tiger eyes. It balances the Solar Plexus, Heart, and Third Eye chakras. It also stimulates psychic abilities and attunes one with higher energies. Tiger's eye is composed chiefly of silicon dioxide (SiO₂) and is coloured mainly by iron oxide. The specific gravity ranges from 2.64 to 2.71

Healing Properties:

1. Tiger's Eye can help transform toxic feelings into more positive ones. It may assist you in changing your perspective to view obstacles as challenges rather than setbacks. This gemstone will empower you to move past fear and build up your courage.
2. It is believed that the Tigers Eye's vigour helps its bearer to break free from the latches of sorrow and resentment and eventually pushes you to positivity. It is also very effective for those who feel like they are going nowhere.
3. **A significant increase in metabolism:** The Tigers Eye is believed to help maintain the proper flow of metabolism to its bearer's body, helping preserve weight.
4. **Energy arousal:** If you feel light and weak, then the Tigers Eye stone can help. It releases vital and positive energy that can get anyone on their feet.
5. **Smoother sex drive:** Now, this is where things get interesting. The Tigers Eye not only emits positivity or provides a better flow for your body, but it also helps its bearer gains a heightened sex drive. So if you're having issues with your partner, better get yourself a Tigers Eye!
6. **Promotes hormonal balance:** The Tigers Eye is effective for people who have been experiencing symptoms of hormonal imbalances such as weight gain, fatigue, muscle pain, and many more.
7. Moreover, the Tigers Eye represents the sun's rays as it emits a magical wave to its bearer, helping lessen stress and depression.

BLUE TIGER EYE

Blue Tiger's Eye usually comes in mid to dark blue colours bearing grey or greenish bands. It's a highly reflective and chatoyant stone, and its silky appearance enhances the stone's beauty. Blue Tiger's Eye is also known as Hawk's Eye. The gemstone is vigilant and can help the wearer achieve a new level of sharpness, encourage the wearer to utilize their powers in a more efficient manner. Tiger's eye is composed chiefly of silicon dioxide (SiO_2) and is coloured mainly by iron oxide. The specific gravity ranges from 2.64 to 2.71.

Healing Properties:

1. Blue Tiger Eye is calming and releases stress. It aids the quick-tempered, overanxious and phobic. Slows the metabolism, cools an overactive sex drive and dissolves sexual frustrations.
2. Encourages one towards practical and physical action.
3. Lends vitality to the demands of physical life.
4. Aids in seeing both sides of the situation.
5. Enhances strength and creativity.
6. Promotes inner calmness and centeredness in the face of difficulties and challenges.
7. Assists one in finding equilibrium in the mental and emotional states.
8. Assists in treating the eyes.
9. Creates awareness.
10. Promotes wealth.
11. Minimizes stress.
12. Enhances confidence.
13. Brings good luck.

AVENTURINE GREEN STONE

Green Aventurine is known as the "Stone of Opportunity," thought to be the luckiest of all crystals, especially in manifesting prosperity and wealth, or for increasing favour in competitions or games of chance. It increases overall vitality and enhances the intellectual development of children struggling with schoolwork and destructive hyperactivity. It is mostly translucent and often banded, but an overabundance of an included mineral may render it opaque.

Healing Properties:

1. Aventurine is, primarily, the stone of prosperity. This powerful crystal will not simply attract abundance into your life if you are passive in the process. Rather, it inspires you to foster desirable qualities and to do the inner work that is required to embody your best self – the self that is capable and worthy of living a prosperous life.
2. Aventurine stone is known to promote the healthy functioning of the thymus gland while also supporting the nervous system.
3. Green Aventurine soothes emotional wounds and allows us to recognize the issues behind illness or imbalance, depression or defeat, and to facilitate the release of unhealthy relationships, patterns, and heartache.
4. Green Aventurine's soothing energy balances the emotional body to guide us toward inner harmony. It calms nervousness, anger, and irritation, and helps dissolve the everyday stress of a hectic lifestyle.
5. It enhances creativity and motivation and encourages perseverance in manoeuvring life's obstacles. It reinforces decisiveness, amplifies leadership qualities, and injects a sense of humour and openness to the ideas of other.

AVENTURINE YELLOW

The yellow Aventurine is a greatly distinctive gem that has powerful properties that may change your whole life in a very mysterious way. The stone also represents prosperity, balance, creativity, optimism, calmness, and self-reflection. Yellow Aventurine is a silicon dioxide mineral and member of the **Quartz** family. It can be found in a variety of yellow hues and gets its colour from tiny inclusions of Mica or **Muscovite**. It is often associated or linked with the solar plexus chakra. The stone may be essential if you are suffering from daily migraine and headache. Further, if you have any kind of allergies, you're really disturbed by it, you can use this stone to assist you in treating them.

HEALING PROPERTIES:-

1. Yellow Aventurine is to attract real and worthwhile friends.
2. Yellow Aventurine is used to balance your polar energies such as male-female, good-evil, young-old, etc.
3. This crystal is also used for promoting feelings of wellbeing and joy.
4. Yellow Aventurine has the ability to let you enjoy the present in a carefree manner and be optimistic about the future.
5. This stone is your chance to get rid of your stammer and speak fluently and confidently.
6. If you feel like you are stuck in a labyrinth with no way out, use Yellow Aventurine to see new possibilities and beneficial alternatives.
7. This stone helps to aid you in focusing your attention on issues which are actually worth your efforts and thoughts.
8. If you belong to a creative line of work, this is the perfect stone for you as it boosts creativity and inspires you with novel ideas.
9. Yellow Aventurine will also enable your mind to think more analytically and make smarter decisions.

BLACK OBSIDIAN

The black obsidian crystal is a beautiful and powerful natural stone. It is formed by fast cooling volcanic lava. Black obsidian combines the elements of Fire, Water, and Earth. This makes it one of the more intense healing crystals. It is a powerful protection stone that helps cleanse and clear negative energy. It can also be used for spiritual grounding, making it an ideal choice for those seeking to connect with their higher selves. Black Obsidian is known to aid in detoxification of the mind, body, and spirit and can help to release fears and patterns that no longer serve you.

3. Purify negativity: This stone is also known for its clearing powers that purify negative energy around you.
4. Boosts the immune system: Clear quartz is said to be able to boost the immune system by clearing toxins in the body.
5. Encourage spiritual growth: Its crown chakra connections also allow you to tap the highest levels of your consciousness.

FIRE QUARTZ

Fire Quartz is a beautiful crystal filled with eye-catching inclusions. Like other forms of Quartz, it has a translucent finish and a glass-like sheen when polished. **The main Fire Quartz meaning is a representation of the fire that lives inside all of us.** It's a powerful stone that can reignite the embers you need to keep going.

Fire Quartz is the name given to Quartz crystals included with Hematite. The colour can range from light pink to a very dark rust depending on the amount of iron in the deposits.

HEALING PROPERTIES:-

1. Fire Quartz is one of the most powerful energy stones available. Its energy is associated with the root chakra and sacral chakra. It enhances personal power and self-confidence, and brings completeness to one's life.
2. Fire Quartz is also known for its ability to stimulate personal expressiveness. Fire Quartz is a grounding stone. Its energy encourages one to stay grounded and to cultivate a sense of groundedness.
3. Fire Quartz is a stone of protection, bringing one into alignment with the higher self and repelling negative energies that might otherwise drain life force.
4. Fire Quartz is also an energy cleanser, removing old, stagnant energies from the body, and clearing away mental fog. Fire Quartz helps one stand up for one's beliefs. It encourages one to take action when one wishes.
5. Fire Quartz is an excellent stone to use in meditation. It stimulates energy flow, helping one access inner wisdom and intuition.
6. Fire Quartz is one of the most powerful energy stones available. Its energy is associated with the root chakra and sacral chakra. Fire Quartz is a stone of transformation, and it can help one face change and transformation with equanimity.

GARNET

Garnet is a bright red, fiery crystal of passion and is thought to be one of the oldest crystals used for spiritual protection throughout history. **It is the embodiment of the energies of fire, passion, creativity, and strength.** Garnet is the name used for a large group of **rock-forming minerals**. These **minerals** share a common crystal structure and a generalized chemical composition of $X_3Y_2(SiO_4)_3$

HEALING PROPERTIES:-

Feelings and Emotional Healing

Garnet is dubbed as the stone of dedication - which is highly beneficial in fostering your emotions. Garnet gives its bearer an immense emotional boost. This gemstone is effective for people that need to develop self-confidence. Garnet also grants its bearer a better understanding of how other people react.

Mind

Garnet is also known as a mental stone. Whatever the mind does, Garnet can instantly turn negative thoughts into positive ones. The massive energy that Garnet emits transforms its bearer's mind into something bigger and better than what it was.

Body

Garnet boosts the sexual intimacy of its bearer. It grants its bearer endurance and stamina.

The incredible heat energy that comes from Garnet is enough to release the toxins from your body. Also, its red luster represents the blood. It ensures stable blood pressure and flow. Not just that, it also keeps your heartbeat at a proper pace. Your metabolism will also benefit from the therapeutic effects of Garnet.

Vitamins and minerals wise, Garnet is a rich stone. It helps its bearer acquire all the essential nutrients that the body needs.

Spirit

Garnet also wards off bad spirits and evil entities. The red brilliance that glows like the sun prevents any hostile forces from penetrating the soul of its bearer. Even in the early times, Garnet has been used as a universal spirit guide.

Wearing Garnet

People have worn Garnet since the early times. In 3000 BC, Garnet fragments were cut and formed into beads and tumbles. No wonder why there have been many records, illustrations, and accounts of ancient civilizations, wealthy or not, who wore Garnet in different ways.

CALCITE

Calcite is a spiritual crystal linked to higher consciousness. Calcite mineral forms rocks and has the chemical formula CaCO_3 . It is widespread and can be found in sedimentary, metamorphic, and igneous rocks all over the world. These crystals are often soft and shiny. They can be opaque or transparent and usually have a band of mixed colours.

HEALING PROPERTIES:-

Physical Healing

Calcite detoxifies and cleanses when it comes to the physical body and maintaining optimal health. **It aids in keeping the organs free from unwanted toxins and aids them to function smoothly.**

Emotional Healing

The gleaming Calcite stone is all about developing your emotional intelligence. **It helps you to hone your ability to sort through your highs and lows.** Calcite also assists you to deeply understand your feelings without being stuck in a particular way of thinking.

Mental Healing

Calcite calms the mind, improves memory, and stimulates new insights into current circumstances on a mental level. The calcite crystal is an excellent stone to have on hand when learning something new because it lets you put your thoughts into action.

Manifesting Prosperity

Calcite is a mineral that represents purity. When you're looking for a significant improvement in your life or need to make a fresh start, this is the crystal to have with you. Calcite crystals will help you to ground, focus, and find inner peace.

ROSE QUARTZ

Rose quartz is believed to have mystical powers of healing, blocking, negativity, relationships and purifying. The earliest known use of rose quartz was documented in the Roman and Assyrian empires. Rose quartz is a stone of pure love. Rose quartz is the name used for pink specimens of the mineral quartz. The pink colour of rose quartz ranges from a very light, almost imperceptible pink, to a rich translucent pink. Its Chemical Composition is (SiO₂) Silicon Dioxide with iron and titanium inclusions

HEALING PROPERTIES:-

- Strengthening love or romantic relationship.
- Awakening sensual creativity and tender fantasies are well known rose quartz powers. It is an aphrodisiac that encourages passion and intimacy between you and your partners
- The emotional healing powers of rose quartz give lasting positive results as it empties suppressed negative emotions.
- Powers of rose quartz in the workplace can be sensed as it controls disagreements and personal conflicts.
- The pink crystal works wonders in your sleep as it does not only give you a sound sleep but blocks nightmares and gives happy dreams.

SMOKED QUARTZ

This powerful stone is a super-charged variation of the extensive Quartz group of crystals, but with a distinctive twist. It gets its wispy hints of brown from exposure to natural underground radiation from granite deposits, giving regular Quartz an added punch of celestial vibrations. Smoky quartz is a variety of **microcrystalline quartz**, which owes its colour (all tones of brown) to the natural irradiation or caused by the aluminium salts it contains. It belongs to the group of oxides: it is a silicon dioxide and its formula is SiO₂. Smoky quartz is transparent to translucent, rarely opaque, and its luster is glassy.

HEALING PROPERTIES:-

Feeling and Emotional Healing

Smoky Quartz benefits its bearer as it drives the heart and to do what is right. During the ancient times, people used Smoky Quartz to lessen whatever heavy burden they had – especially emotional baggage. Believers love Smoky Quartz because it frees its bearer from any emotional conflict. Smoky Quartz may look dim but it actually sheds light onto its bearer's life

Mind

The mind benefits from Smoky Quartz when it comes to resolve. When the mind cannot contemplate what to do, the stone allows it to clear its intentions and go beyond what it can manage. Smoky Quartz also brings enlightenment for the confused. Most of the time, the mind cannot decide between several things – especially if all of them make sense. The soothing effect of the stone emancipates the mind from whatever earthly desire it is latched on.

Body

This unique aspect of the Smoky Quartz crystal protects the body from any harmful influence of radiation. Nowadays, some of the technological advances we are enjoying bring forth hazardous radiation that ruins our body. Smoky Quartz negates just that. If you have an extreme headache, a Smoky Quartz can be a huge source of relief. Hold the stone and put it against the part of the head that is most painful. Other physical therapeutic powers of Smoky Quartz include relief from pain experienced on the muscles, back, legs, hips, and other parts of the body.

Spirit

In contrast to its colour, Smoky Quartz releases an immense amount of light energy to its bearer. This energy protects the soul from the destructive influence of outside forces. Smoky Quartz was used by early civilizations as a guide to the underworld. Presently, it is a reliable communication instrument to the other side. If you want to contact the spirit of someone you love, a Smoky Quartz can strengthen the connection that links our world to theirs.

AMAZONITE

Amazonite is used to treat fatigue, trauma or anything else that may take energy away from a person it has a gentle hill qualities that is useful to nearly everyone in a general manner.
